

Green Masjid Rubric 2023

Ramadan 2023/1444

Barakah Rating System: A quantifiable Ibadah for a Green Ramadan

*Certificate: Barakah Rating + a tree planted = Gratitude

This is an excellent opportunity to green our Masjids (and homes).

Rubric by the ISNA Green Initiatives Team - ISNAGreenMasjid@gmail.com

*Alongside ISNA's partnership with the EPA, forming the first Energy Star rating system for Muslim community Masajid's, this year ISNA has collaborated with Khaleefa, the ChicagoMuslimGreenTeam and WisconsinGreenMuslims, by highlighting some of their green works as a valuable learning resource, in achieving points in the rubric for greening your Ramadan.

Barakah Rating System - Point system indicating greenness of activities [Rooted in Quran & Sunnah] through a Praising/Barakah of God as Ibadah. Each point relates to the activity and helps achieve a barakah level. There are 4 Barakah levels. Each level has a certain number of points to achieve in order for that Barakah to be praised.

Barakah Point System:
 30 points = Tasbih (minimum)
 31 - 57 points = Tasbih, Tahmid
 58 - 75 points = Tasbih, Tahmid, Tahlil
 76 - 99 points = Tasbih, Tahmid, Tahlil, Takbir

Barakah's:
 Tasbih - Subhan'Allah
 Tahmid - Alhamdulillah
 Tahlil - La ilaha illa Allah
 Takbir - AllahuAkbar
